**Fairly flat local walk: Spittalriddinghill & Picadilly**

<b>Distance</b>	<b>4 -5 miles</b>
<b>Walk Time</b>	<b>3 hours</b>
<b>Walk Description</b>	<b>Local Walk. No mini-bus. Up the river to Cuthbertson Bridge. Cross and leave river to walk the path through Spittalriddinghill to the Lockerbie Road. Walk side of Lockerbie Road towards Annan then north toward by-pass. Follow the Picadilly path to low Dumfries Road. Then down to river at Kerr's sawmill and back to town. If it is a very fine day and folk still feel frisky we may offer an extension to Annan River mouth and back via Back of the Hill. That would add at least an hour to the trip.</b>
